Dear Gill

You asked if I would provide a testimonial for your "Customer comments" page of the new Evergreen website. I am delighted to provide comments as follows and am happy for these to be included on your website:

"Evergreen's fast and accurate dictation has helped my medicolegal business develop quickly. It allows me to turn around reports in 48 hours with the minimum of fuss. I can dictate, on the move, and receive the transcripts anywhere, so long as I have an internet connection. I can safely recommend this service to the medical profession".

Yours sincerely
